

## Conditions for Admission to the Mid-term Evaluation

The condition for admission to the mid-term evaluation is the submission of the following documents to the SDNS office:

1. An individual research plan submitted within 12 months of starting education at SDNS UJ, including any changes made during the second year but no later than January 31 of the year in which the mid-term evaluation is conducted.
2. A report on the implementation of the Individual Research Plan and the education program, including in particular:
  - 2.1. A list of tasks completed in accordance with the Individual Research Plan along with a description of their results.
  - 2.2. A list of teaching courses completed and passed in accordance with the education program included in the Individual Research Plan.
  - 2.3. A list of tasks and teaching courses planned in the Individual Research Plan but not completed, **along with justification for their non-completion.**
  - 2.4. A list of tasks and courses not planned in the Individual Research Plan but significant to it, completed after its last modification.
3. A list of publications and conference presentations published or accepted for publication within the first two years of participation in the Doctoral School of Social Sciences. For publications not yet published but accepted for print, a certificate from the publisher confirming acceptance must be submitted.
4. A list of external and internal grants obtained within the first two years of participation in the Doctoral School of Social Sciences.
